

Saint Pius X Parish 2009 Capital Campaign

Dear Fellow Parishioners,

I know this is not an ideal time to start a Capital Campaign, but as I have mentioned for the last three years, our parking lot is in need of repair. It has been nearly two decades since we resurfaced our parking lots and many areas are again in need of resurfacing. With the recommendation of our parish finance council, I am asking our parish and school families to make a three year pledge for a multi year process of repair. If all of us pitch in we can raise the nearly \$200,000 it will take to accomplish our goal. Some of us may be able to give more than others, however each gift is important for the continued operation of our parish. I am well aware that for most of us our income is not guaranteed and even if we make a pledge we might not be able to completely fulfill that pledge. In that case you would let us know in writing and we can modify your gift.

Please join me and all our families as we continue to maintain the parish that we and those before us have built to the Glory of God!

Fr. Robert Copeland
